

General

Give thanks for the vision for our new Centre, and for our Jehovah Jireh who provides all the resources we need to complete the project. Pray for our architect as he finalises the details, that he will be blessed in his work.

The work goes out to tender this month. Pray for all those involved in the tender selection process, that God will guide them to the contractors of His choice.

Pray for all the practical work of clearing out No39, and the provision of an 'office space' for the next several months.

Pray for the PF staff as they travel around the country for their work, that God would protect them on their journeys, and bring them safely to their destinations.

Family

We thank God for family prison visits both by Zoom and in-person, as prisons start to open. Pray for good visits that will help build up and protect family relationships. Pray this will encourage both the person in prison and their family.

Give thanks for those who have signed up to volunteer with our Hands Up Project. We now have a wonderful team of 11 committed to this ministry. Pray that the recipients will feel loved, valued, and cared for. Most importantly, pray that they will know that God cares for their practical needs.

Pray for families who feel overwhelmed and are struggling to come to terms with a loved one's crime, and the consequences that follow.

Pray for the children of prisoners as they return to school after the holidays, especially those who find it hard when other children comment on their family situation.

Pray for C as she struggles with family deaths, serious family illnesses and having a son in prison, that the Lord will comfort and strengthen her.

Pray for families with a loved one caught in the depths of addiction. Pray God's grace for them to keep persevering and not give up.

Pray for Sandra & Claire our Family workers that God will give them wisdom as they minister to families of prisoners. Pray that God will lead them to other families He wants them to reach.

Prison

Pray for all who work within our prisons- governors, prison officers, security staff, health care workers- men and women who help and support those in their care. May they know God's sustaining love and protection.

Pray for the chaplains as they deal with the death of a prisoner's family member. Prisoners are currently not allowed to attend the funerals, and often they are the ones who will be asked to break bad news as well as supporting prisoners through their bereavement.

Give thanks for the transformation that is possible through the love of God and is available for all. Pray for those in prison who have not yet received God's saving grace, that they may experience His forgiveness.

Pray for those who have come to faith, that God will give them strength and perseverance as they seek to serve Him in what can be a dark and lonely place.

Aftercare - Women

Pray for women coming to the end of their sentences. Pray for the right accommodation, support network and PF's role in this.

Pray for N who is going through a tough time, mostly because her two children are in foster care. She has also found herself homeless for a time and has been hard to contact. Please pray she will know she is loved and will accept help.

Pray for C who is doing very well. She is so settled in her lovely home and enjoying a volunteer role.

Recently a woman whom Lynne has known for many years passed away. She had addictions and was often 'on the streets'. There are many like her. It is incredibly difficult and sad. Pray they will know they are loved and that there is always hope in Him.
