There is an increasing hunger to hear more about the work of Prison Fellowship. Pray for staff as they speak at meetings in churches this month, for strengthened relationships, and that Churches will see serving prisoners as part of their Christian mission.

Pray that the believers inside the prisons would be encouraged, and that we would all expect the Spirit of God to move, generating revival inside the prisons we visit.

Pray for Avril, PF's Finance Manager, as she does important work 'behind the scenes' to enable our programmes to happen. May she feel valued and supported in her role.

Pray for the wide range of families, prisoners and those released, whom PF staff support. Please pray for protection over the minds of our staff and for wisdom in difficult and complex situations. We need constant prayer as we continually give of ourselves.

19th March Pray for mums in prison, and who have a son or daughter in prison. May they know God's comfort throughout the separation, and may God bring healing and reconciliation where it is needed.
