Please pray for T who is due to be released soon, that she will find somewhere suitable and safe to live.

Volunteer & Prayer Groups

Please pray for new volunteers taking up roles within our aftercare programmes. Please pray for those they will engage with and that good relationships will be built.

Praise God for a great response for churches on offering volunteers to help with the ministry.

Continue to pray for staff and volunteers within each of the ministries of PF. We daily rely on the prayers of others for strength and wisdom in many difficult environments and situation.

Family

Pray for wisdom for family workers Sandra and Claire, to know how best to support the families Prison Fellowship serves.

Those who have a family member in prison can feel isolated. Please pray that each one will have a good support network around them.

We pray the Lord will heal broken relationships and give strength and wisdom to those trying to rebuild trust and family life.

Pray for C who is getting released in a few weeks and is fearful of falling back into old ways. He wants to connect with a local church and grow in his walk with God.
