

Volunteers & General

Please pray for all staff and volunteers at the Presbyterian Women's deputations. Pray that the PW groups will be so encouraged by the work of PFNI and that many would come forward to pray and volunteer.

Please pray for each of our *Prayer Group* leaders as they continue to support the work of PF by faithfully praying for the ministry. Pray for more new members to come along to each group.

Pray for our new volunteers helping within the programmes in the PF centre. We are so grateful for their support and pray for God's guidance.

Pray for former PFNI Prison Worker Norman McCorkell and for his family as he battles ill health.

Family

Thank God for the strength and comfort it is to many of the families we work with, to know that our prison workers and volunteers visit and support their loved one in prison.

Pray for families who are grieving. Pray for God's peace and comfort to be known by all whose hearts are broken.

Pray for daily strength and stamina for our families trying to live under the cloud of a loved one in prison.

Please pray for the families we support who are facing the disappointment of their child reoffending shortly after being released from prison.

Aftercare – Men

Please pray for all the men who come to Lifesplan at the centre every week and stay for lunch afterwards. Pray for the men and volunteers as they learn from the scriptures, build fellowship, trust and support each other.

Please for a family who have recently been bereaved following a tragic accident, that they might know God's comfort at this very difficult time.

Give thanks for B. He has started a new job and hopes to find permanent accommodation as he prepares for release. We are so thankful to those in the community who help ex-offenders.

Pray for P. who is asking great questions and wanting to know about trusting in Jesus for herself.

Prisons

Pray for all the churches who welcome and work with released men and woman. Give thanks for those individuals who pray for and draw alongside them and encourage them to grow in their relationship with God.

Pray for men who have trusted in Jesus in Magilligan that they will grow despite the pressures of prison.

Pray for S. who has been asking a lot of questions regarding faith. Pray that we would be able to provide support and answer his questions.

Aftercare – Women

Pray for women who are struggling with complex drug addictions. Pray that the right support will be available for them and their families.

Pray for J who has gone through surgery. J faithfully attends *Instilling Hope*. She is anxious about recovery and the outcome of the surgery. Pray for peace.

Pray for K whose children have been taken into care. Following two massive bereavements, this is a huge heartache. Pray for her 6 children also.

Give thanks that Prison Fellowship has been chosen as the Presbyterian Women's 2024 Home Mission.
