

Aftercare – Female

Please pray for P who struggles with her health. She has had a few ‘scares’ recently. Pray that she will make wise choices to help herself. She has faith so pray she will cling to that.

Lynne has many thoughts for female aftercare work which she would love to see become reality. The work is so needed. Time is a constraint. Pray for God’s will in this.

Pray for J who has recently come to faith but lives in very difficult, lonely circumstances. She especially needs community. Pray she will settle in a church family.

Aftercare – Male

Pray for all the volunteers who help in the centre and out in the community. Many of the volunteers give lifts and extra support to the men so they can attend PF and get to other appointments. Give thanks.

Pray for all the men who will finish the Life Skills course this month and receive their certificates. Give thanks for the Lowe Church team and all the new friendships made.

Easter is a special time for believers. Please pray for the men who have no connection with church as we celebrate the risen Jesus with them.

Prisons – Male

Please pray for J whose family has closed all avenues of contact at this time. Pray as he currently struggles with this new development that he doesn’t give up and that new lines of communication will come.

Pray for J who is in prison for the very first time and struggling to come to terms with it. Pray that he learns not to rebel and to accept his circumstances.

D has been helping with Sycamore. He is coming near the end of his sentence. Pray all works out for him in the process of release and as he adjusts to life outside again.

Volunteers and General

Pray for our two placement students Ricky and Deborah. Pray they would be a blessing to those in prison and aftercare. Pray for a blessing upon them as they serve God in this ministry.

Pray for our 11 prayer groups meeting faithfully across the country. Pray for new members to attend and for each of the prayer group leaders willing to host the groups.

Pray for each volunteer visiting and supporting men and women in our prisons. Pray for their safety and wisdom in situations they encounter daily.

Prisons - Female

Continue to pray for the Monday evening Lifespan in Hydebank and for the small but very faithful group of ladies who attend. Also pray for the volunteers who lead it each week.

Pray for a young person in Hydebank who recently got baptised. Pray that they would grow in faith and find the right support upon release.

Please pray for M who is new to prison and is a Christian. Pray that she would feel God’s presence with her even in custody.

Family Support

Pray for God’s comfort for C as she comes to terms with her son being back in prison, especially at a time when she is coping with a lot of other pressures and concerns in her life.

Please pray for all who have tried everything to support a loved one living with addiction. Pray for God’s grace and strength to keep going.

Give thanks for families where family relationships are being repaired and restored.
