

Aftercare - Male

Please pray for J. He has been ill recently and is finding it hard to go out to church and attend meetings at Prison Fellowship. Give thanks for his friends who help him.

We have had several new men contact us for help recently. Pray for hope and a new beginning for each of them. Pray they will come along to us each week for encouragement and support upon release.

Please pray for W. He is homeless and finds himself in and out of prison every other month. Pray we can reach out to him and try to provide some stability in his life.

Prisons - Male

Continue to pray for those who find life on the outside more difficult than serving time in our prisons. Give thanks for the work we are able to offer those following release.

Also pray for G who was released from prison last week. Pray that he can return to a normal life with his wife, family, and friends and that his church will welcome him back into their fellowship over the coming weeks and months.

Praise God for the many openings we had thanks to the partnership with Presbyterian Women Home Missions project who supported us during the past year. We give thanks for those who have committed to pray for the work and others who have indicated a desire to become more involved in the work. Plus our grateful thanks for the generous financial support received.

Prisons - Female

Give thanks for a lady L who has recently come to faith in custody! Pray for her that she would grow in her new faith in Jesus!

Pray for W. who is coming to the end of a long sentence. Pray that she would be able to adapt again upon release and that she would make use of the aftercare support services available.

Family Support

Pray for the Support Group which will take place in Ballymena today and for all those who will attend it.

Pray for strength and peace for M as she struggles with deteriorating health and worries constantly about her grandson in prison. Thank God for regular communication between the two of them.

Pray for those families who are going through the disappointment of having a family member return to prison.

Pray for the Support Group which will take place in Ballymena on the 21st May and for all those who will attend this essential meeting.

Aftercare - Female

The PW Annual Conference is today (10th). So thankful we were chosen as their special home project this year, the support has been a huge blessing. Together, let's give thanks for this and pray as Lynne continues to develop women's aftercare ministry.

The women's aftercare 'Instilling Hope' group meets tonight. Please pray that some will have the courage to come for the first time, and that all of the women will leave feeling loved and encouraged.

R is in addiction rehab at present. So thankful for this opportunity. Pray she will stay focused and strong and feel His presence.

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. -
2 Chronicles 7:14
