

Prisons - Male

Pray for M. who will be released shortly, pray that he will be able to find a church to support him on the outside and that he would be strengthened in his faith.

Please pray for G who has completed almost two decades in prison and is due before a Parole Board in July. G is anxious about his future, about being released and not knowing where to turn. Pray for God's guiding hand on his life.

Pray for D also hoping for release. D has a difficult relationship at home and has concerns that he will be able to control his behaviour upon release. Pray that he will have the strength to give his wife and family the time to adapt.

Volunteers and General

Please pray for volunteers helping over the summer period with programmes and visits. As we continue our work in prison and our centre many volunteers will step up to help staff.

Please pray for individuals who have expressed interest in starting up new prayer groups for Prison Fellowship. This is a fantastic way to be involved in the work.

Please pray for new opportunities for volunteers within the ministry of female aftercare.

Prisons - Female

Please pray for G. Who was recently released. Pray that she would settle in her community again and that she would find encouragement and support in church.

Pray for L. who is a young Christian in custody. Pray she would grow in her faith and be encouraged.

Give thanks for the volunteers who faithfully visit in Hydebank and lead Lifespan. Pray they would be refreshed and encouraged with the change of routine over the summer.

Family Support

Continue to pray for C. She is on her own and struggling with so many issues. Pray she will turn to the LORD in her desperation to find peace.

Pray for M who is fearful for her son and his drug addiction. Pray M will step back and release control of her son and let God intervene instead.

Pray for O who is very worried about her son. He is in prison and lost his partner in very tragic circumstances.

Aftercare - Female

Women's aftercare 'Instilling Hope' group meets on the 5th June. Pray the women would have a relaxed and enjoyable time and leave feeling encouraged.

Pray for I, a very faithful past volunteer who recently lost her husband. I'm so thankful for both of their love and example. Pray that I will feel His close comfort.

Pray for F as she organises and runs a fundraiser event this month in memory of her daughter K, who many of us in PF knew and loved.

Aftercare - Male

Pray for two of the men who attended Christianity Explored. Give thanks for the church and the team that invited them and provided the teaching.

Pray for the PF Centre. Some of the men hope to do some work cleaning and maintaining the centre to keep it good for the summer.

Pray for J. He is due for release this month. We hope he does well on the outside and makes contact with us for help if he needs it.
