

### Prisons - Female

**Please pray for T. who is an older person in custody. Pray that she would be able to get the right help and support as she serves her sentence.**

Pray for E. who is due for release this month. Pray that she would be able to engage with a local church on release and would find volunteering work as she would value the routine and structure.

### Family Support

**A few of the families we support have recently had a loved one released from prison. We pray for the whole family at this time of adjustment.**

We continue to pray for D. as she copes with having a terminal illness and worries about her son in prison. We pray for peace and strength for her and the whole family, thanking God that she has put her trust in Jesus.

We pray for the Ballymena Prayer Group and Support Group which will meet on 17th September. Pray that it will be a time of encouragement for everyone.

### Aftercare - Female

**Pray for 'Instilling Hope Belfast' starting this month. Lynne, our Female Aftercare worker, is excited to get this 'off the ground'. Pray especially for the women who will attend and give thanks for new volunteers.**

Pray for J. who has suffered two broken legs. Pray for healing. Pray too for her home situation which is very difficult, but that through this she would come closer to the Lord.

Pray for S. who is an addict who deeply desires freedom. She has great aspirations for her life and is keen to succeed. She especially would love to further her education and gain employment, ultimately helping those in addiction.

### Aftercare - Male

**Please pray for D. He recently got out of prison and wants to find a job. Pray for his mum who sees him every week.**

Pray for M. He is in a hostel and has very little. He is looking for somewhere to live and needs to keep away from bad influences. Pray he will stay strong.

Give thanks to the local churches who have reached out, inviting us to visit their events during the summer. The men have felt loved and accepted. It has been a real blessing to all involved.

### Prisons - Male

**Give thanks for the four 'Facing your Giants' courses completed in Maghaberry and Magilligan during the summer. Men related to the testimonies of lives set free from addiction. Pray they will know that God is also able to help them.**

Pray for M. who asked for a Bible and some literature after the 'Facing Your Giants' course. Pray that he will have a desire to know more of who God is and that he can know freedom and forgiveness.

Pray for D. who is just out and making contact with PF in Belfast. Pray for good relationships to grow and encouragement for him as he faces new challenges outside.

### Volunteers and General

**Praise God for our newly appointed Operations Manager, Bryan Stewart. Please pray that God will guide him as he begins this important role.**

Pray that the Prison Fellowship Thanksgiving Evening 2025 on the 9th September will be a blessing to all.

Ask the Lord to bless all the volunteers who seek to serve Him during the upcoming Christmas Hope season.
